Add value and positioning to your brand in Latin America.

Join the decision makers creating trends and identifying the new challenges of the regions.

"The contributions made by each of the speakers and experts has been extraordinary, the enrichment is unparalleled."

Luis Prados
CEO
Clear Channel México

"An extraordinary opportunity to bring together experts, officials, businessmen and artists to rethink in which we want to live."

Luis Banck
Mayor
City of Puebla

"Integrate Latin American cities in an event that has a congress and expo format, and identify what their challenges are for the coming years."

Pilar Martínez
CEO
Fira Barcelona México

"I think that Latin America has to thank the event for the proximity, and for not having to cross the ocean to visit it."

Zulma Bolívar
President
Municipal Urbanism
Institute of Caracas
